RISOGRAPH

TECHNICAL INFORMATION

TO: Dealer Technical Department — Page - 1/2

FROM: Rick Church — Date 2-5-88

SUBJECT: Modification Disposal Unit 1 + 2 — Issue T - 5

MODEL: 2700 — **Revised M - 002**

RISO, Inc. Technical Department has received field reports of Disposal Belt Stretching of Breaking. Two modifications have been added to the machines to correct this problem.

MODIFICATION 1. Disposal Guide Plate Part # 007-14120-000 Qty 1

All machines up to Serial Number 90410092 need to be modified to include Disposal Guide. (See figure on next page for mounting instructions.)

MODIFICATION 2.

Duct Pully	Part # 002-14517-000	Qty 2
Pully Gear 3M; M = RMV	Part # 007-14121-006	Qty 1
264-3M-6 Keblar Cord	Part # 620-03066-015	Qty 1

All machines up to serial number 90410445 need to be modified to include the new pully system. (See figure on next page for instructions.)

* The two modifications will be free of charge for machines up to serial numbers listed. To receive the modifications, you must send RISO, Inc. a serial number listing of all machines needing the particular modification 1 or 2.

* Please enter this new information in your Parts & Price Book. For future reference when ordering inventory stock.
